Report on One-Week Bridge Course

SECAB ARSI Degree College organized a one-week Bridge Course for newly admitted first-year students to facilitate a smooth transition from school to college education. The main aim of the programme was to strengthen students' basic academic knowledge, familiarize them with the college environment, and build confidence for higher studies.

Objectives

- To bridge the gap between school and college education.
- To revise and strengthen fundamental concepts of core subjects.
- To introduce students to the college curriculum and examination system.
- To enhance communication, analytical, and problem-solving skills.
- To create awareness about college rules, discipline, and student support services.

Activities Conducted

During the one-week programme, various academic and orientation sessions were conducted, including:

- Orientation on the college vision, mission, rules, and facilities.
- Refresher classes on basic concepts of relevant subjects.
- Sessions on communication skills, personality development, and time management.
- Introduction to syllabus structure, credit system, and examination pattern.
- Interactive discussions, group activities, and doubt-clearing sessions.
- Awareness sessions on library usage, digital learning resources, and student support services.
